Dear Mrs. Story:

Re: Ogden River Dist. Sys.
Account 35-17

On April 8, 1986 our office was advised by E. R. Story that Charles Story was deceased. He asked the billing for assessment account 35-17 on the Ogden River Distribution System be sent to him at 3124 No. Hwy 162, Eden, Utah. On March 30, 1987 we received a note from Mr. Story that he had turned all of his water stock over to Brent G. Story and we should bill him for the assessment. In 1989 the assessment notice was sent from our office to Brent G. Story, 3164 No. Hwy. 162, Eden, Ut. and payment was received on February 24, 1989.

We enclose copies of the correspondence we received from E. R. Story and trust it explains why the notice, which we return herewith, was sent to you.

If you have any further questions, please either call the River Commissioner, Blaine Johnson at 479-5794, the Area Engineer, John Mann at 538-7397 or myself at 538-7380.

Sincerely,

Lee H. Sim, P. E.
